

FINANCIAL SUPPORT

New Hampshire's Becoming an Outdoors-Woman program introduces women 18 years and older to outdoor activities, from hunting and fishing to hiking and cooking like a wild woman. Each year a Fall Weekend event is held, offering up to 25 different classes. A winter one-day event includes Winter Survival and Ice Fishing. Beyond BOW workshops let

participants go deeper into particular topics. Four to five Beyond BOW workshops are offered each year.

NHBOW is co-sponsored by the New Hampshire Fish and Game Department and The New Hampshire Wildlife Federation. Your gift funds scholarships, cost of food and lodging for volunteer instructors, and transportation for participants. All contributors will be recognized through print media as well as on our Sponsor List distributed to all participants and instructors.
